Burnett's resignation from the Board of Selectmen, I endeavored in a telephone conversation with Mr. Hosmer to set April 13th as the date for a special election. Mr. Hosmer would not agree. I felt very strongly then as I do not that the best interests of the town lie in setting the earliest possible date for such an election. It is not fair to the townspeople nor to the remaining members of the Board of Selectmen to have two Selectmen carrying on the duties of a three man board. I charge that Mr. Hosmer is not fulfilling the duties of his office when he continues to deprive the voters of Southborough the opportunity to fill the vacancy that now exists."

March 5, 1948.

The meeting was adjourned at 8:20 P. M., and those present went to the upper Town Hall where an Open Forum for the discussion of the Annual Town Meeting Warrant was in progress.
